

SKYLINE™ BENCH SERIES

Espresso Wood with Stainless Legs, 5ft.

Provide a durable, safe and comfortable resting area with attractive benches. The five-foot long Skyline Series wood bench with stainless steel legs has a decorative and durable stained wood seating surface with modern stainless steel arms and legs. This wood bench is designed and engineered to withstand harsh weather conditions for year-round use, both indoors and outdoors. Its wood slats are resistant to moisture, splintering, and warping.

KEY BENEFITS & FEATURES:

- Stylish bench is perfect for parks, airports, spas, resorts, restaurants, and other public facilities requiring a seating area
- Attractive wood slats with an Espresso dark finish, 1.5" wood slats offer a rich look and comfortable place to rest
- Constructed from natural dark espresso wood with heavy-gauge 304-grade stainless steel; it won't easily rust and it's designed for an extremely long service-life
- Wood slats are resistant to moisture, splintering and warping. To maintain the natural wood look; we recommend restraining as needed
- Bench ships fully assembled, ready to use
- Predrilled anchor hole openings on legs allow for surface mounting in concrete, anchor-bolt hardware included
- 100% Recyclable after use
- Standard 2-day lead time
